

Thank you for choosing this Icom product.
You can use the OPC-2359 PTT SWITCH CABLE to connect a headset to a transceiver.
Please read these instructions thoroughly before using the OPC-2359.

FEATURES

- The cable meets IP54 requirements for dust-protection and splash resistance. (Except for the headset connector)
- Easily enable the PTT switches by touch.
- Status indicator is equipped for the PTT Toggle switch.
- Compatible with full duplex* communication.
*Setting is required.

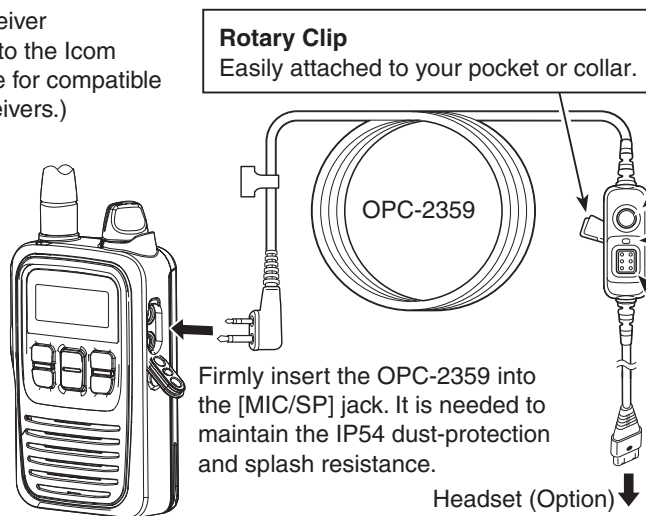

PRECAUTIONS

- **NEVER** place any heavy object on the cable, or pinch it.
- **DO NOT** drop the cable on a hard surface. If the switch case is deformed, strained, or cracked, the protection against dust and water may not be maintained.
- **DO NOT** expose the cable to direct sunlight. It may deform or discolor the cable.
- **BE CAREFUL !** Some fabric might be damaged by using the clip.
- **BE SURE** to turn OFF the transceiver's power before attaching or detaching the headset. Otherwise a malfunction may occur, or it may damage the transceiver, headset, or the cable.
- **USE** with only the specified Icom transceiver or headset. Otherwise it may damage the transceiver, headset, or cable.
- **KEEP** the cable out of the reach of children.

DESCRIPTION

The optional headset, HS-102, is required.

Transceiver
(Refer to the Icom website for compatible transceivers.)

(cable, bush and rotary clip are not included)

Weight (Approximately):

44 g; 1.6 oz

Cable Length (Approximately):

100 cm; 39.3 inches

All stated specifications are subject to change without notice or obligation.

DISPOSAL

The crossed-out wheeled-bin symbol on your product, literature, or packaging reminds you that in the European Union, all electrical and electronic products, batteries, and accumulators (rechargeable batteries) must be taken to designated collection locations at the end of their working life. Do not dispose of these products as unsorted municipal waste. Dispose of them according to the laws in your area.

NOTE: Adjust the microphone gain if called stations have difficulty hearing your voice. Refer to the instruction manual of your transceiver for details or contact your Icom dealer or distributor for advice.
