Article number	A0100000

Advantages

1. Robust Industrial mobile phone
2. Long battery life time
3. Ergonomic Design
4. Dust- and water proof (IP67)
5. Bluetooth, GPRS, MMS, SMS, EDGE,
6. Camera with 2 mega pixel and video function
7. Dedicated Push-To-Talk button, third party software necessary
8. GSM-Quad-Band / 3G
9. Address book for 2000 records

Accessories

Lithium-Ion battery with 1000 mAh
USB i.safe protector, Micro USB
Headset
AC charger
Quick start manual

ATEX certification

II 2 G Ex ib IIC T4 Gb

II 2 D Ex ib IIIC T4 Db IP6x

Description

The **ADVANTAGE 1.0** is a very lightweight yet very rugged dust-and water-proof industry mobile phone with 3G/UMTS technology. It is ideal for use in extremely harsh conditions and in dangerous environments, since it also has "lone worker protection." This functionality is realized by an optional software, which is based on the GPS and SOS function of the phone.

Easy to use and very long battery life time offer best in class comfort. Camera, and Push To Talk functionality are useful features in the daily use. Your reliable companion, when it comes to do special tasks. High storage capacity allows you all the contacts, a lot of pictures and other data to be stored on the device.

The mobile phone **ADVANTAGE 1.0** can be synchronized with Outlook.
